Gary,

Both Herb and Subhas (who have been asked by Cindy to assign controls) have advised that you should prepare the response to this control AL-13-000-0792.

Please forward your draft for Cindy's concurrence before forwarding for ORD signature.

Thank you,  
Suzanne

Suzanne,

Like the previous one, this too should be handled by Gary.

Subject: Controlled Correspondence AL-13-000-0792 - REGARDING EPA INVESTIGATION INTO THE IMPACTS OF THOSE ACTIVITIES ON GROUNDWATER QUALITY IN PAVILLION, WYOMING - DUE 1/31/13

All,

Attached is a new request letter and citizen information sheet on a Controlled Correspondence (AL-13-000-0792) that is due 1/31/13. Several members of Congress are seeking a response from the EPA regarding the draft report "Investigation of Ground Water Contamination near Pavillion, Wyoming". This is a new control separate from the one for which Gary is drafting a response (AX-13-000-0679).

This control requests that NRMRL prepare a draft response for Lek's signature.

Please advise on who should prepare the response. NRMRL's response is due back to ORD by 1/31/13.

Thank you,  
Suzanne
